- j. Non-covered services: Pharmacy shall bill Enrollee directly for non-covered services. However, Enrollees may never be billed for any Covered Services (except the applicable Co-payments as set forth on the GUIDANTRX on-line prescription claims adjudication system) provided pursuant to the terms of this Agreement.
- k. Payment By Enrollees: Pharmacy agrees that in no event, including but not limited to non-payment by GUIDANTRX or the Plan Sponsor, GUIDANTRX's or the Plan Sponsor's insolvency or breach of this Agreement, shall Pharmacy bill, charge, collect from, seek compensation or remuneration from, surcharge or have any recourse against an Enrollee for Covered Services pursuant to this Agreement (except for Co-payments). This section shall survive termination of this Agreement regardless of the cause of termination and shall be construed to be for the benefit of the Enrollees.
- l. Pharmacy expressly and unconditionally agrees to submit to GUIDANTRX via the On-Line System information regarding all Covered Services provided to Enrollees regardless of the Co-payment status of such Covered Services.
- m. Pharmacy must conduct due diligence to ensure that Claims approved by GUIDANTRX but not received by the Enrollee are reversed within 30 days of the initial fill date.
- n. Pharmacy shall maintain a log of partially filled prescriptions. Prescriptions in which a partial amount was owed to the Enrollee but never received shall be modified via the GUIDANTRX's On-Line System within 30 days to accurately represent the quantity of medication received by the Enrollee.
- o. If Pharmacy's reversal of previously approved Claim or Claims results in payment being due to GUIDANTRX, Pharmacy will, upon request from GUIDANTRX, immediately forward payment to GUIDANTRX for such payment due.

3.2 CO-PAYMENTS, DISCOUNTS: Pharmacy acknowledges and agrees that, without the prior written consent of GUIDANTRX, it may not waive or discount any Co-payment or deductible required under any Covered Services provided to Enrollees under this Agreement. Pharmacy shall collect all required Co-payments and deductibles from Enrollees in the amounts set forth on GUIDANTRX' On-Line System.

4.0 PHARMACEUTICAL SERVICE RECORDS

4.1 INSPECTION AND TRANSFER RECORDS: Pharmacy agrees to comply with all state and federal laws regarding the confidentiality of Enrollees' pharmaceutical records. Subject to the foregoing, and Section 1.5 of this Agreement, Pharmacy agrees:

- (i) That GUIDANTRX or any duly authorized representative of Plan Sponsor (s) shall have the right, during normal business hours and upon reasonable written advance notice, to inspect such pharmaceutical records as relate to that part of the record documenting services provided to an Enrollee in connection with Covered Services;
- (ii) To transfer Enrollee pharmaceutical records, including prescriptions, in accordance with such Enrollee's request in accordance with applicable state and federal law; and
- (iii) To provide any Plan Sponsor's representative or GUIDANTRX within a reasonable time and upon a written request therefore, copies of any such pharmaceutical records.

4.2 EVALUATION OF SERVICES AND RETENTION OF RECORDS: Pharmacy agrees, upon reasonable advance written notice and during normal business hours, to allow a representative of GUIDANTRX or any Plan to evaluate, through inspection of facilities and Enrollees pharmaceutical records, the quality, appropriateness, and timeliness of Pharmacy's provision of Covered Services to Enrollees. Pharmacy further agrees to retain all records and reports relating to Pharmacy's performance under this Agreement for the greater period of state and federal legal requirements, five (5) years after the date to which the records are applicable or until the resolution of any audit, litigation or other action for which Pharmacy has received written notice, involving such reports and records which are initiated prior to the end of

such five (5) year period. GUIDANTRX may perform such audits at any time during the term of this Agreement and for a period of three (3) years thereafter.

4.3 AUDITING: GUIDANTRX or its subcontractor shall have the right, at reasonable intervals and during regular business hours, to cause a complete or partial audit of Pharmacy's records as they pertain to the Agreement and may inspect Pharmacy's premises, books, records and operations to ensure that they are adequate to perform Pharmacy's obligations under this Agreement, are consistent with the intent and purpose of this Agreement, and are in accordance with applicable laws. GUIDANTRX or its subcontractor shall give Pharmacy written notice thereof at least fifteen (15) business days prior to the date on which it intends to cause such examination and audit to be made of Pharmacy's books, profiles and other records relating to the dispensing of Covered Services to Enrollees and other obligations under the Agreement, including, without limitation, financial records, procedures and reports relating to such dispensing activities. Pharmacy agrees to allow GUIDANTRX or its subcontractor to copy, photocopy, photograph, or use digital camera photography, for all prescriptions, profiles and other records relating to the dispensing of Covered Services to Covered Individuals. Any expenses incurred will be paid by the requesting party. Upon request, copies of such records shall be sent to GUIDANTRX at a reasonable charge. GUIDANTRX agrees to keep all such profiles and records confidential. GUIDANTRX may perform such audits at any time during the term of this Agreement or for a period of 3 years thereafter. For prescriptions filled for patients who have coverage through Medicare plans, there is no time limit for audits.

4.4 OVERPAYMENT: If an audit shall disclose that GUIDANTRX overpaid Pharmacy with respect to any Claims which Pharmacy has theretofore submitted to GUIDANTRX for payment, such overpayment as determined by extrapolation, using standard accepted accounting and statistical methods, shall be offset against any current or future Claim payments and may be rectified by causing Pharmacy's future payments to be debited by the corresponding amounts if Pharmacy does not distribute requested amounts to GUIDANTRX within fifteen (15) days of such a request.

4.5 PENALTIES: GUIDANTRX will assess and collect a penalty fee for all prescription Claims submitted by the Pharmacy with invalid physician identification numbers. The penalty fee will be equal to \$2.00 per prescription Claim and will be assessed based on the percentage of Claims found to contain invalid physician identification numbers during an audit, extrapolated, using standard accepted accounting and statistical methods, against all Claims paid during the time period covered by the audit. Physician identification numbers shall be considered invalid if the physician identification numbers (DEA or NPI) submitted by the Pharmacy with the prescription Claim is not the physician identification number provided on the prescription by the prescriber; or if the physician identification number submitted by the Pharmacy with the prescription Claim does not correspond to the actual prescriber of the prescription

5.0 UTILIZATION REVIEW: Subject to the right of Pharmacy's Pharmacists to exercise professional judgment with respect to the dispensing of Covered Services, Pharmacy agrees to abide by, cooperate with, and participate in the utilization review, quality assurance and audit procedures established and approved by GUIDANTRX, as modified from time to time. Upon notice to Pharmacy, Pharmacy shall supply GUIDANTRX with all data and information reasonably requested by GUIDANTRX regarding the provision and utilization of Covered Services to Enrollees for purposes of such utilization review.

6.0 STATUS OF PARTIES: It is expressly acknowledged by the parties that GUIDANTRX and Pharmacy are independent contractors, and nothing in this Agreement is intended nor shall be construed to create an employer/employee relationship, a joint venture relationship or to allow GUIDANTRX to exercise control or direction over the manner or method by which Pharmacy performs services which are the subject matter of this Agreement. Neither of the parties hereto, nor any of their respective employees, agents or representatives shall be construed to be the employee, agent, or representative of the other.

7.0 INSURANCE: Pharmacy shall, at its expense, procure and maintain professional liability insurance covering its Pharmacists and employees with limits not less than One Million Dollars (\$1,000,000.00) per occurrence and Three Million Dollars (\$3,000,000) in the aggregate. Such professional liability insurance shall provide coverage for incidents, claims, and suits by Enrollees arising from Covered Services provided by Pharmacy pursuant to this Agreement during the Agreement period. Pharmacy shall furnish GUIDANTRX with a certificate of insurance upon request.

8.0 DISPUTE RESOLUTION

8.1 The parties will make a good faith effort to resolve any disputes arising during the term of this Agreement. If they are unable to resolve the dispute through informal discussions, either party may submit a written complaint to the other party describing and proposing a manner of resolving that dispute. The party receiving that complaint will respond by accepting, rejecting, or modifying that proposal, in writing, within thirty (30) days of the date that it receives the complaint.

8.2 If the parties are unable to resolve the dispute in accordance with the procedures set forth in section 8.1 above, either party may submit the dispute to binding arbitration in accordance with the Rules for the Conduct of Arbitration of the American Arbitration Association (the "Rules") in effect at the date of commencement of such arbitration, by one (1)

arbitrator who will be appointed by the American Arbitration Association. The arbitration will take place in Cincinnati, Ohio unless otherwise agreed, and will be final and binding. Each of the parties will cooperate with the arbitrator and will provide him with all information in their possession or under their control necessary or relevant to the matter being determined. The arbitrator will be required to make his award as soon as possible and if at all practicable, within five (5) days after the conclusion of the arbitration hearing. The law governing the procedures and substance of the arbitration will be that of the State of Ohio. Disputes involving more than two (2) parties will be settled by one (1) arbitrator, as determined by the arbitration procedures adopted in this clause. Where by this clause any dispute or difference is to be referred to arbitration, the making of a final award will be a condition precedent to any right of action by either party against the other. Judgment upon an award, including any interim award, rendered by the arbitrator may be entered in any Court having jurisdiction thereof. The arbitrator may determine all questions of law and jurisdiction including questions as to whether the dispute is arbitratable, and has the right to grant permanent and interim damages or injunctive relief, and will have the discretion to award costs including reasonable legal fees, interest and costs of the arbitration. Notwithstanding the provisions of this section 8.0, either party will be entitled to apply to a court for injunctive or other equitable relief in any case involving a breach or alleged breach by the other party of any obligations set out in this Agreement relating to the use, protection or confidentiality of any proprietary or confidential information of the party seeking such injunctive or other equitable relief.

9.0 NON-DISCRIMINATION: Pharmacy shall provide Covered Services to Enrollees in a manner similar to the manner in which it provides services to any other individual. Pharmacy shall not discriminate or differentiate against any Enrollee as a result of his/her enrollment in a particular Plan, or because of race, color, creed, national origin, ancestry, religion, sex, sexual orientation, marital status, age, disability, payment source, state of health, need for health services, status as a Medicare or Medicaid beneficiary, or any other basis prohibited by law.

10.0 TRADEMARKS: Neither party shall use the other's logos, trademarks, or service marks without the other's prior written consent. All authorized use of the other party's logos, trademarks, or service marks shall cease promptly upon termination of this Agreement.

14.4 DEFENSE OF INDEMNIFYING PARTY: In connection with any claim for indemnification hereunder resulting from or arising out of any claim or legal proceeding by a person who is not a party to this Agreement, the Indemnifying Party, at its sole cost and expense may (but shall not be required to) upon written notice to the party seeking indemnification (the "Indemnified Party"), assume the defense of any such claims or legal proceeding, with counsel reasonably satisfactory to the Indemnified Party. GUIDANTRX, INC.
PROVIDER PHARMACY
PHARMACEUTICAL CARE NETWORK AGREEMENT

EXHIBIT A
PAYMENT SCHEDULE

- I. **REIMBURSEMENT RATES FOR SERVICES:** For each retail pharmacy prescription or refill covered by this Agreement, GUIDANTRX will pay Pharmacy at the rates set forth in this Article I, reduced by any applicable Co-payment the Enrollee is required to pay at the time service is rendered and as conveyed to the Pharmacy by the On-Line System.
- A. **BRAND NAME DRUGS:** The lower of the Wholesale Acquisition Cost (WAC) (as defined herein) + 1.75% equivalent to post Roll-back Average Wholesale Price (AWP) less 15.2 % (AWP -15.2 %) as defined herein, of the dispensed medication plus a dispensing fee of \$1.50 or the dispensing pharmacy's Usual and Customary (U&C) retail charge as defined in this Agreement. The dispensing Pharmacy agrees to submit its then current Usual and Customary charge via GUIDANTRX' on line system with each request for payment.
 - B. **GENERIC DRUGS:** Reimbursement will be the lower of the Maximum Allowable Cost ("MAC"), as defined herein, AWP less 25% (AWP – 25%) of the dispensed medication plus a dispensing fee of \$1.75, or the pharmacy's then current U&C retail charge. The dispensing Pharmacy agrees to submit its then current Usual and Customary charge via GUIDANTRX' on line system with each request for payment.
 - C. Notwithstanding the rates set forth in Section I.A. and I.B. above, if the total of the discounted AWP or MAC, whichever is applicable plus the dispensing fee ("Contracted Rate") is less than the Patient's required Co-payment amount, Pharmacy will receive as reimbursement, the lower of the Patient's required copayment, the Contracted Rate or the dispensing pharmacy's prevailing U&C retail charge. Pharmacy expressly and without limitation or conditions agrees to submit its U&C retail charge with each Claim submitted via the On-Line System. If Pharmacy fails to submit its then effective U&C retail charge on a claim resulting in the Enrollee being charged an amount greater than the then effective U&C retail charge, Pharmacy will, upon request by GUIDANTRX or the Enrollee, refund to GUIDANTRX or the Enrollee any amount paid by the Enrollee in excess of the then effective U&C retail charge.
 - D. **TAXES:** If a Pharmacy tax or similar fee is imposed on Pharmacy for provision of Covered Services by any government authority (other than duly imposed applicable sales taxes), Pharmacy shall be responsible for the Pharmacy tax and shall not pass such tax on to Enrollees or GUIDANTRX unless specifically required to do so under applicable law or regulation.
 - E. **COMPOUNDED PRESCRIPTIONS:** For prescriptions requiring the skills and expertise of a pharmacist to mix two or more ingredients (at least one of which must be a federal legend drug) ("Compounding"), the reimbursement rate will be the lower of the sum of the AWP's of the ingredients in the compound plus a \$5.00 dispensing fee or the dispensing Pharmacy's Usual and Customary (U&C) retail charge as defined in this Agreement. The dispensing Pharmacy agrees to submit its then current Usual and Customary charge via GUIDANTRX' on line system with each request for payment. "Compounding" rates will not apply to the mixing of two or more liquids or to the reconstitution of lyophilized powders.
 - F. Reimbursement for Brand Name drugs will be based on the National Drug Code (NDC) submitted by the Pharmacy with the Claim via the On-Line System.
 - G. Payment to the Pharmacy will be the lesser of Pharmacy's Usual & Customary price or contracted rates as defined in Article I of this Exhibit A.
- II. **CALCULATION:** The "Calculation" of the payment to the pharmacy will be as follow:
- A. For Brand Name Drugs: [(Discounted AWP of the NDC Submitted/package size of NDC submitted*metric quantity dispensed) plus the brand dispensing fee less the applicable Enrollee Co-payment]
 - B. For Generic Drugs not on the MAC List: [(Discounted AWP of the NDC Submitted/package size of NDC submitted*metric quantity dispensed) plus the generic dispensing fee less the applicable Enrollee Co-payment]

C. For Generic Drugs on the MAC List: [(the MAC Price applicable to the NDC Submitted*metric quantity dispensed) plus the generic dispensing fee less the applicable Enrollee Co-payment]

III. **MULTI-SOURCE PRODUCTS:** The dispensing pharmacy will dispense multi-source products using the inventory customarily maintained; the terms of reimbursement and the dispensing by any retail community pharmacy of such multi-source products may not be restricted by GUIDANTRX formulary or any list of covered drugs that identifies multi-source products by manufacturer. Pharmacy shall dispense a generic equivalent product whenever possible and permitted by applicable state and federal laws. Pharmacy's reimbursement will always be at the applicable MAC price, as defined above, when Pharmacy dispenses a multi-source product on the MAC list unless Pharmacy submits an allowable DAW code as defined by NCPDP and as further defined by GUIDANTRX in its Operating Guidelines.

IV. **OVER THE COUNTER PRODUCTS (OTCs):** For over the counter products which are Covered Pharmaceuticals, the dispensing Pharmacy shall be reimbursed at the same rate as described in Sections I and II of this Exhibit A.

V. **AWP Discontinuance:** In the event that AWP will no longer be available, the parties agree to modify the reimbursement discounts under the Agreement using a new pricing benchmark to maintain the parties' respective economic positions under the Agreement such that the total reimbursement of a product using the new pricing benchmark is the same as before the discontinuation of AWP. Within thirty (30) days after a new pricing benchmark is established the parties will, in good faith, begin to negotiate a new reimbursement rate schedule to the Agreement. Pursuant to a written agreement signed by both parties, the parties will agree upon a new reimbursement schedule prior to the new pricing benchmark's effective date. If the parties cannot agree upon a new reimbursement rate schedule, either party can terminate the entire Agreement by providing sixty (60) days prior written notice.
